But you think your gifts and talents

Are minimal and few
Em Am
Don't let your mind be troubled
Dm G
By all those thoughts untrue
C F G
'Cause you make the greatest difference
F G C
By the little things you do.

C F G
If we all really made an effort
C F G
To show love in the simplest way
C F G
People's live's would be so much better

Em Am
It just takes a giving heart
Dm G
For people to be blessed by you
C F G

C F G
So whether you find yourself
C F G
In a pleasant place or not
C F G
Reach out to those who need you

By using what you've got
Em Am
And then you'll know true greatness
Dm G
And your life's purpose too

By the little things you do.
